Death of Eben Douglass

It is with sincere sorrow that we announce the death of Eben Douglass, which occurred at noon today at his home in this village. Although he was 82 years old he was able to be about daily and was up and around the house and in his barn this morning. Heart failure was the cause of his death.

Eben Douglass was a native of this town, where he had lived all his life, with the exception of three years spent in Hyde Park. Farming and mercantile business were his chief occupations. For several years he was in trade at Cady's Falls and later at Morristown Corners, in which he was quite successful.

Besides his wife, Laura Batchelder of Plainfield, whom he married in 1858, he is survived by two daughters and three sons, Mrs. Thos. Wilson of Johnson, Mrs. Fred Small of Morristown, Millard of Greensboro, Frank of Somerville, Mass., and William of Randolph.

Mr. Douglass was an exemplary man; his word was as good as his bond, and his long life was one of frugality and industry. He had many friends who will sincerely regret his death.

The funeral will take place from his late residence on Maple Street next Saturday afternoon.

Shamrocks Again!

Wednesday evening, Feb. 19, the Morristown Town team will again line up against the Shamrocks of Barre in the local Gym. In the game played here between these two teams a few weeks ago the Shamrocks defeated the local team by a score of 35 to 29 but at this game our team will be strengthened by the addition of two new men and expect to change the score in Morristown's favor. Can they do it? Attend and see.

Basket Ball

Last Monday evening the Peoples Academy team won from the Delta Psi team of the U. V. M. by a score of 25 to 14. The game was a steady, hard and clean fight from start to finish. Numerous sensational shots by both teams often brought the spectators to their feet, wondering what was going to happen next.

A game which caused much amusement among the spectators on the same evening was the one between teams made up of Professional and Business men, with C. H. Raymore as referee, the game resulting in a victory for the Business men by a score of 12 to 8 as nearly as can be ascertained. The game started with a rush but shortly the side lines looked too inviting for the players to resist. In the second period Referee Raymore was mobbed, the players being so incensed over one of his decisions, that they took him out of doors by force and dumped him into a snowbank. To say the least we think that the game must have been played under professional rules and then some. The public are looking forward to the next game of this series.

Fire Destroys Dwelling

An early morning fire here last Friday destroyed the dwelling house on Union street, owned by Mrs. Casilda Davis. The loss is estimated to be in the vicinity of \$2,500, insured to the extent of \$1,100.

The rear part of the house was occupied by R. W. Eaton and family, who were away at the time of the fire, having been keeping house for Mrs. Eaton's parents, Mr. and Mrs. George Norton, the past two weeks while Mrs. Norton was away, and Mrs. Davis occupied the front part of the house. A fire had been kept in the house during the absence of Mr. and Mrs. Eaton to keep the water pipes from freezing. Mrs. Davis tending the fire Thursday night as usual before retiring about 10:30.

Mrs. Davis was awakened by the smoke and escaped from the burning building partially dressed. The fire was discovered, at about the same time that Mrs. Davis was awakened, by a neighbor, who summoned the fire department.

The department was promptly on the scene but a defective hydrant delayed them and it was impossible to keep the flames from spreading to the main part of the house, with the headway it had already gained. The house was one of the oldest in this place and had become somewhat of a landmark. It had been recently repaired and placed in modern shape.

Mr. and Mrs. Eaton lost practically all of their household goods, clothing, etc., the insurance on the same amounting to \$700. Most of Mrs. Davis' goods which were also insured, were saved but were badly injured by smoke and water.

Mrs. Hannah Peck is confined to the house by illness.

Mrs. Dunham of Wolcott is caring for Mrs. Lucy Cram.

Mrs. D. C. Wilbur of Woodbury was a visitor in town Tuesday.

Mrs. H. W. Scott of Barre is a guest at the home of Mr. and Mrs. Geo. A. Morse. Mr. and Mrs. C. C. Draper have been guests the past week of relatives in Hardwick.

Rathbone Lodge, K. P., of this place, was well represented at the district meeting in Johnson last Friday night.

G. A. Wilkins returned to Montpelier last evening to give attention to legislative duties. Glenn is making good at the Capital and it isn't his fault if the session is "the longest ever."

Prof. Thomas Coming

The next Union meeting will be held at the Congregational church next Sunday evening at 7:30 and will be addressed by Professor Evan Thomas of the University of Vermont. Prof. Thomas has addressed a number of similar meetings in various villages in Vermont this year and he has been well received. He is an entertaining speaker, is recognized as one of the leading men on the faculty of the University of Vermont, and we can assure our people that his address on "Vision" will be well worth hearing.

P. A. Senior Play

The Senior play, "Triss, or Beyond the Rockies," has made rapid progress, after another week of hard work. Mrs. Jackson is devoting her entire time to this work, and she is introducing new specialties in the play that the people of Morristown have never before been privileged to see in their own town, and as this is the only play Mrs. Jackson will stage this year, she is putting her best efforts to make it a success in every way. The proceeds of the play go to the Senior class of Peoples Academy. Watch for Academy Parade at noon on the day of the play.

Board of Trade Meeting

At a meeting of the Board of Trade and others interested was held last evening at the rooms of the Pastime Club for the purpose of considering the organization of a County Farm Bureau. If the organization is affected the government will give \$1200 annually for two years, providing the county will raise an equal sum, and the grain exchange of Chicago has offered to the first 100 counties forming such organizations \$1000, which amount will be deducted from the amount to be raised by the county. A mass meeting of the business men and farmers of Lamoille County is called to meet at Morristown Friday at 10:30 a. m. for the purpose of making such an organization.

On motion of T. C. Cheney the matter was left with C. F. Smith, F. W. Mould and H. Waite to issue invitations to the business men and farmers of the county to attend the meeting, a general invitation to all interested being extended. The meeting will be held in Grange Hall.

Commandery Inspection

The annual inspection of Lamoille Commandery takes place next Monday evening. Several Grand Commandery officers will be present and it is hoped there will be a large attendance of Sir Knights.

HYDE PARK

F. D. Prindle of Essex Junction was in town yesterday.

Marshall Shattuck and wife are spending a few days in Eden.

Mrs. Harry Mason, nee Iva Bennett, of Hardwick visited relatives here on Monday last.

The "tete-a-tete" sewing club held a very interesting meeting last Thursday evening at the home of Miss Helen McFarland.

Miss Susie Coombs of St. Johnsbury, who has been visiting her parents, Mr. and Mrs. S. Morey, returned home yesterday morning.

The Assistant Judges met last Saturday and issued county bonds to the extent of \$26,000 to pay interest and outstanding orders.

Announcement is made of the birth of a son Feb. 6th to Mr. and Mrs. Robert Buck of Massachusetts. Mrs. Buck, when Marion Gray, was a frequent visitor here.

The Ladies' Club held a very interesting meeting last evening with Mrs. Lettie Waite. In spite of the inclement weather the attendance was good. Papers were given by Mrs. Nora Scofield and Mrs. Lettie Waite on "The Celts" and "The Irish Kings." Next meeting will be with Mrs. Lillian Leach.

The "long expected and much hoped for" engine, in railroad parlance "helper," arrived here Monday and made its first trip yesterday morning on the early train. With this addition heavy freight trains are aided over the up grades east. Chas. Gregg is the day man at the engine house and he and Gene Seaver do the polishing act there.

Mr. and Mrs. E. G. Sherwin observed their 48th wedding anniversary last Sunday by entertaining a few relatives at dinner. "Elbridge" and "Annette" have lived in this town nearly all their lives and have a host of friends here, and also other parts of the county, who are waiting for that fiftieth anniversary to come around, when "there'll be something doing."

Some special prices well worth looking at are given by Waite & Sons in their advertisement on page eighth this week.
